

## CORONADO CHRISTIAN CHURCH

### CHURCH SAFETY PROCEDURES DUE TO CORONAVIRUS

Our church will re-open this Sunday, May 31, 2020. To insure that our church family is protected, we have procedures in place to keep our members safe. There is no Sunday School this Sunday.

1. We have a checklist of procedures from the governor for churches to follow. This will be posted next to the entrance to the church, and we will have copies inside the church for our members who want one.
2. The church has already been sanitized by Rosie. After the church service on Sunday, the church will be re-sanitized before our next service.
3. We intend to have hand sanitizer available (if we can find some!).
4. Church members will need to wear masks. We do not have masks to provide to the members, so each member should bring his/her own mask.
5. We will practice social distancing inside the church. We will not have the meet-and-greet, and church members will be spread out inside the sanctuary. Members of a family may sit together. We have plenty of room for members to be separated.
6. For the observance of Communion and the collection of the offering, we will do the following:
  - a) The elements for Communion will be placed on a table at the front of the sanctuary below the pulpit. Also, an offering collection plate will be placed there as well.
  - b) After the introduction to Communion has been given, church members will come up the center aisle (one by one) to place in the collection plate any offering they intend to give and to pick up their Communion elements.
  - c) The Communion wafer will be inside of a mini paper baking cup, and the Communion juice will be in the plastic cups as usual. Each church member will pick up his/her own wafer and juice. We will have a container next to the table for the used paper and plastic cups.
  - d) The person who prepares the Communion elements will wear gloves.
7. Having said all this, if you do not feel comfortable about coming to church at this time, please stay home. The last thing that we want to do is to make anyone feel pressured to come.
